IMPORTANT INFORMATION REGARDING FIELD TRIPS

Dear Parents/Guardians:

As you may already know, it was necessary to make many reductions in our school budget for this year. One of those reductions was in the area of transportation and admission for student field trips. For this reason, it will be necessary for parents to pay the full cost of student admission and transportation for any field trips during the school year. Information regarding field trip destination, date, times, and cost will be provided for parents along with the field trip permission slip.

Should you have any questions, please feel free to call on me.

Sincerely,

Lorise A. Goeke, Ed.D.
Superintendent/Principal
