Dear Parents/Guardians of Robert Morris School Students:

I am both proud and pleased to announce that for the third consecutive year in a row, Robert Morris School has made Adequate Yearly Progress (AYP) in both Language Arts Literacy and Mathematics in both elementary and middle school levels.

This means that according to the New Jersey Department of Education and federally mandated No Child Left Behind (NCLB) we have met all 81 of 81 indicators; this is a strong validation of our efforts as well as the programs we have put into place.

Students, parents, teachers and administrators – all members of our learning community – have good reason to be proud of our school. As Principal, this recent news could not have come at a better time. The South Bound Brook School district remains a high performing district.

Sincerely,

Dennis J. Donahue
Principal
